CSE 686 Mid-Term Exam

❖ **Date:** March 7, 2018

❖ **Format**: 30 multiple-choice questions

❖ **Coverage:**

1. All my slides, up to and including those for the March 5 class, except for those slides that are marked as **Optional**.

2. Chapters 1 – 4 of Textbook #1 (TCP/IP Sockets in Java), but you may skip UDP-related sections.

3. **Optional**: Chapters 1 - 5 of Textbook #3, and Tutorials on HTML5 and CSS.

Note: This exam will NOT be open-book. However, you are not required to memorize all the technical details, but you should at least read and understand the required materials.
